Subject: Letter for Judge for Andres Gutierrez-Trujillo

To your honorable Judge

I Rachel M. Jimenez I write this letter in behalf of Andres Gutierrez- Trujillo. We have been together for the last 15 year and in our time together we have created a home filled with love. We have shared time of great joy and sorrow, we list our first child due to late stage still birth and 3 year later were blessed with the birth of our daughter Miranda L. Gutierrez. With very trying times of extended hospital for myself and NICU stay. Together in this challenging time Andres maintained our home and caring for his two sons AndyJr. And Esteban Gutierrez that were living with us. Andres is a hard working man that provides for his family in all ways possible from working, cooking and cleaning. He is a man of loves and does the best he can for his family. Together we work to a healthy balance home. We would love to have him back home with us Us, his girls. All this has brought much sadness to our daughter. It break my heart to not see that twinkle in her eyes. She and her daddy share an amazing bond along with his older kids. We would love to have him back to complete our family. I ask that you take this into consideration and allow him to come home.

Your Honor Judge Thank you for you time.

Sincerely,
Rachel M. Jimenez
